Dear Mr. Feltch:

Re: Site Inspection, Uintah County Asphalt Mine, M/047/022, Uintah County, Utah

This letter is meant to confirm the date and time of a site inspection for the Uintah County Asphalt Mine as discussed in our phone conversation of August 18, 1992. I will be arriving at your mine site on Thursday September 3, 1992, at 2:00 p.m.

The purpose of this inspection is to evaluate the current status of the mine site and evaluate any reclamation performed since the last Division inspection (August 1990).

Thank you for your cooperation in scheduling this permitting activity. Please contact me if you have any questions or concerns regarding this planned inspection.

Sincerely,

Anthony A. Gallegos
Reclamation Engineer
